 - B. ***Tidelands Capital Plan***
Receive and file Plan. Provide comments as needed.

This Committee is subject to the Ralph M. Brown Act. Among other things, the Brown Act requires that the Committee's agenda be posted at least seventy-two (72) hours in advance of each regular meeting and that the public be allowed to comment on agenda items before the Committee and items not on the agenda but are within the subject matter jurisdiction of the Committee. The Committee may limit public comments to a reasonable amount of time, generally three (3) minutes per person.

It is the intention of the City of Newport Beach to comply with the Americans with Disabilities Act ("ADA") in all respects. If, as an attendee or a participant at this meeting, you will need special assistance beyond what is normally provided, the City of Newport Beach will attempt to accommodate you in every reasonable manner. If requested, this agenda will be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Please contact the City Clerk's Office at least forty-eight (48) hours prior to the meeting to inform us of your particular needs and to determine if accommodation is feasible at (949) 644-3005 or cityclerk@newportbeachca.gov.

MEMORANDUM

TO: Tidelands Management Committee
FROM: Chris Miller, Harbor Resources Manager *CM*
DATE: February 18, 2015
RE: Quarterly Review of Harbor Commission Action Items

The Harbor Commission took action on the following agenda items during the previous five months. Detailed meeting Minutes are available here:

<http://www.newportbeachca.gov/index.aspx?page=462>

October 2014

1. Water Propelled Vessels: Ad Hoc Committee Recommendation

The Water Propelled Vessel Ad Hoc Committee presented their recommended course of action on this issue to the Harbor Commission.

Action: The Harbor Commission approved the Water Propelled Vessel Ad Hoc Committee's recommendation and will forward to the City Council.

2. Harbor Commission Goals: Review Proposed 2014-15 Goals

The Harbor Commission Goals Ad Hoc Committee reviewed the proposed Commission Goals for 2014-15 and recommended approval.

Action: The Commission discussed the Goals and suggested improvements. The item was continued until the next meeting.

3. Dock project

The applicant proposed to reconfigure the existing dock and pier at 1322-1324 East Balboa Blvd. The subject pier is a shared residential pier.

Action: The Commission approved the dock project and allowed variance to the 5 foot setback required for residential piers.

November 2014

1. Promoting Newport Harbor – A Harbor Commission Narrated Public Tour Around the Harbor

The Harbor Commission provided a detailed narration of the many projects within the harbor via a ferry boat tour.

Action: Receive and file.

2. *Cheyenne Mooring Yearly Review*

The Harbor Commission conducted an annual review of the temporary mooring permit for the catamaran Cheyenne.

Action: The Commission approved the permit for Cheyenne until July 31, 2015. Mr. Welsh shall provide 30-day updates going forward, and the Commission will conduct a mid-term, formal review at the March meeting. If there is no significant progress, then the permit is subject to cancellation.

3. *Harbor Commission Goals: Review and Approved Proposed 2014-15 Goals*

The Harbor Commission Goals Ad Hoc Committee reviewed the proposed Commission Goals for 2014-15 and recommended approval.

Action: The Commission approved the 2014-15 Goals, and recommended they be forwarded to the City Council for approval.

January 2015

1. *Balboa Island Seawalls – A Brief Project Summary, and Report by the Balboa Island Improvement Association Seawall Subcommittee*

Staff presented a brief summary of the Balboa Island Seawall project currently under review. In addition, the Balboa Island Improvement Association's Seawall Subcommittee presented their report to the Commission.

Action: Receive and file.

2. *Mooring/Anchorage Fees for Visiting Vessels Assigned to Special Anchorage Areas in the Harbor*

The Harbor Commission discussed appropriate fees the City might charge to visiting vessels who desire to anchor/moor in special anchorage areas outside of the harbor's regular mooring system.

Action: The Commission assigned the matter to the Anchorage Ad Hoc Committee for evaluation.

3. *Cheyenne 30-Day Update (December and January)*

The Commission reviewed the 30-day update for the vessel Cheyenne as submitted by Mr. Chris Welsh.

Action: Receive and file.

February 2015

1. *Mooring Review – Ad Hoc Committee Formation*

At the January 27, 2015 City Council Study Session, staff presented a recap of the recent changes to the City's administration of the moorings, as well as the residential and commercial piers in the harbor. As a result, the City Council directed the Harbor

Commission to study the moorings, and to return to the City Council with a recommended path forward.

Action: The Commission established a Mooring Ad Hoc Committee to evaluate the City's current administration of the moorings, and to make recommendations to the Harbor Commission who would then forward those recommendations to the Council for consideration.

2. Harbor Commission Pairings with the City Council and Other Commissions, Boards and Committees

Each year, the Harbor Commission typically assigns individual Commissioners to pair with individual Council Members in an effort to promote awareness of the various issues that might affect both bodies, particularly harbor related items. In addition, the Harbor Commission may also consider assigning individual Commissioners as liaisons to other Commissions, Boards and Committees within the City.

Action: The Commission approved the following pairings with the City Council:

Paul Blank	-	Scott Peotter
Dave Girling	-	Mayor Ed Selich
Doug West	-	Kevin Muldoon
Bill Kenney	-	Keith Curry
Joe Stapleton	-	Diane Dixon
Duncan McIntosh	-	Duffy Duffield
Chair Brad Avery	-	Tony Petros

In addition, the Commission assigned the following Commissioners to either attend or stay informed of the actions of the following Commissions and Committees:

Dave Girling	-	Parks, Beaches and Recreation Commission
Joe Stapleton	-	Planning Commission
Bill Kenney	-	General Plan/Local Coastal Program Implementation Committee
Paul Blank	-	Water Quality / Coastal Tidelands Committee

3. Cheyenne 30-Day Update (February)

Per the Harbor Commission's direction at the November 2014 meeting, the Commission reviewed the 30-day update for the vessel Cheyenne as submitted by Mr. Chris Welsh.

Action: Receive and file.
