### ***Item 3. Library Activities***

It is good to hear about the recent promotions, but is there a recruitment underway for the Library Services Manager position?

That position was last held by Natalie Basmacıyan. However, for the last couple of years Natalie has been on assignment to the City Manager's Office as the City's Homeless Coordinator, and an Acting Library Services Manager assignment was rotated among what are referred to as service area "Coordinators" in the present report.

The July 18 Library Activities report said Natalie's change of assignment had become permanent and "*Rebecca Lightfoot is assigned as the Acting Library Services Manager while continuing her Adult Services Coordinator role.*"

But Rebecca is listed only as Adult Services Coordinator in the present report.

If there is not a recruitment, will the rotation continue?

### ***Item 6. Expressive Use Areas Policy (NBPL 9)***

In the third bold line at the top of the redline (Attachment B) and final (Attachment C), the letters identifying two of the expressive area maps do not match the identification on the documents retrieved by clicking the links.

It appears that as in line 2 under the "THEREFORE" further down that page, the line was intended to read:

*"Central Library Lower Level (A) & Upper Level (A2) | Mariners (~~C~~ B) | Balboa (~~D-C~~) | Corona del Mar (D)"*
